FISCAL YEAR 2023

Here, People Come First

-Laura McCallister
CHIEF EXECUTIVE OFFICER (CEO)

Laura McCallister was named our CEO in July of 2020. Previously, she served as the Vice President of Finance. Overall, she has 23 years of experience with Places For People and 6 with Community Alternatives, which merged with Places For People in 2011.

This year we were honored to share more opportunities to celebrate the rich history of Places for People, such as having our co-founder, Dr. Hilary Sandall, speak at our 50th Birthday Breakfast. To continue building a brighter future for behavioral health in our region, we have finalized our new multi-year strategic plan. As the needs of our community have become more complex and pervasive, we remain committed to our tradition of leadership and innovation that puts people first. The priorities in our strategic plan include pursuing clinical excellence, strengthening and supporting staff and organizational culture, and improving operational infrastructure. Our plans have been designed to deliver the best holistic care possible. Thank you for your part in helping support hope and healing for our neighbors in need. We could not do this without you!
